

Nehemiah Partner Overview

What is a Nehemiah Partner?

A Nehemiah partner is an individual with a pioneering heart, a ministry or a business that encourages the sponsorship of trees and receives a financial return for each tree that is linked to their Nehemiah number. Thus, you sow into Israel and she begins sowing back into you!

How It Works:

- After your application is processed, you will receive a Nehemiah number to be used by each person who sponsors a tree through you, your ministry, or your business. Thus, when they call, write, or order online they include your unique number to link their adoption to your Nehemiah partnership.

- You begin spreading the word and facilitate the sponsorship of twelve trees, one representing each of the twelve tribes of Israel. On the thirteenth tree, you will begin receiving ten-percent of the price of each olive tree sponsored thereafter.

This is an amazing opportunity for you to bless Israel and be blessed by Israel! We are looking for individuals with influence, ministries, churches, marketplace ministries, magazines, newspapers, television stations, web stores etc.... We are looking for partners who can help spread the word and facilitate the sponsorship of trees. Become a Nehemiah partner and partner with us to make the desert bloom. Become a Nehemiah partner and comfort, yes, comfort His people (Isa 40:1)!

Terms and Conditions:

Beginning on the thirteenth tree that is sponsored under your Nehemiah number you will begin receiving 10% for each tree sponsored thereafter (i.e. on a \$177.00 package you would receive \$17.70, on a \$150 international package, \$15.00, and on a \$299.00 sponsorship, \$29.00). This return percentage will not apply to the first 12 trees. On the tenth of each month a check will be mailed to you for the previous month's sponsorships percentage associated with your account (i.e. "\$17.70" multiplied by the number of trees sponsored via your Nehemiah partnership during the previous month—"17.70" is an example only, actual percentage is determined by packages sponsored). Your Nehemiah number must be mentioned with the original mail in order, original online order, or original call in order to qualify as a sponsorship that you will receive credit for. You will not receive credit for trees that are sponsored without your Nehemiah number directly attached to the original order. A detailed report regarding your account activity (i.e. trees sponsored via your partnership) will be included with your check.

Upon approval of your application you will receive a Nehemiah Partnership Kit to help you get started. Requests for further advertising material must be approved by My Olive Tree and will depend upon the activity in your account. You will receive credit for trees sponsored with your number directly attached; only one Nehemiah number may be used per tree. Partners will not receive credit for other Nehemiah Partner's sponsorships.

In the event of a credit card "charge back" or an insufficient funds check, on a sponsorship that you have already received credit for, your account will be deducted accordingly (i.e. -\$17.70" per tree).

These terms and conditions are subject to change at any time and without notice.

My Olive Tree is also happy to offer a specialized Nehemiah Partnership plan to sizeable organizations who meet the requirements. For more information about this option please call: 800 334 3132.

Nehemiah Partnership Application

Personal Information:
